\* UFIL filed its 2019 income tax return based on fictitious profits, showing tax provision on BDT 71.98 crore and paid Tk. 41.89 crore accordingly. However, RRH's report did not considered this as a tax expense. As tax return already submitted, assessment completed by DCT and tax paid thereon, we have recognized a tax provision expense of Tk. 71.98 crore as per published financial statements 2019, Incompliance with Income Tax Act 2023 (Section 175) and as per our tax advisor's opinion.

We considered every reserve on the basis of audited financial statements' closing balance for the year 2018. As financial statements that were made published in 2019 disclosed fictitious profit. For this reason, we did not considered the transfer to the appropriate reserves except dividend distribution which has already been paid among shareholders as per direction of Bangladesh Bank.

**Note:**

Balance taken as is of KPMG report, despite mismatch with organization's ledger and FICL report submitted to Bangladesh Bank in 2019. For further details, please refer to note-6 of the Factual Findings and notes to the Financial Statements of KPMG report. However, it is mentionable that the balance of BDT 137.18 crore of loan to subsidiary, as shown by KPMG is only the principal amount. Moreover, interest portion of BDT 2.01 crore available from the published Annual report of subsidiary note-16 has not been taken into consideration by RRH but we considered this in the restated Financial Statements Tk. 139 core which is net balance of transferring Assets & Liabilities of MBU, subsequently converted into subsidiary of UFIL as UFCML. Corresponding assets & liabilities both transfer to subsidiaries books as per guidance of Bangladesh Bank, Board & KPMG report. Furthermore, Tk. 18.94 lac did not set-off as a provision for margin loan due to related party provision as per advise of Bangladesh Bank which has been added with loan to subsidiary.

Moreover, it is noted that Tk. 70 lac was Illegal adjustment with UFIL salary expenses of former MD Mr. S. M. Shamsul Arefin, even though it was not included in the salary expenses of restated Financial Statements and we include these amount of Tk. 70 lac with forced loan in the name of Mr. S. M.
